#### 'Canadians First'

"Canadian First"

Baron Ryng cams to Canada preceded by a reputation which had gained for him a high place in the exteem of the people of the Dominion.

The regard in which he was held by thousands of Canadian men who had fought under his leadership in France was sufficient surely that the chesting the properties of the control of the

That strings admostless could not come from man who harbored any inclination to interfere the 'sfall and free exercise of responsible gov-ment. If was a voluntary and inspiring ression of therough-going Canadians, ich the people of the Dominion may well risk, and which they may well.

#### Road Money Should Be Used for Roads.

Seven years ago the Parliament of Canada enacted what is known as the Canada Highways

By this Act the Dominion Government was em-By this Act the Dominion Government was em-powered to divide twenty million dollars among the previnces of Ganada in proportion to popu-lation, and to pay out of this fund forty per cent of the cost incurred by the respective provinces in constructing permanent highways of a re-quired standard.

quired standard.

The plain intention was that this money should be used for the construction of nights with the public should be used for the construction of nights, and for no other purpose. The plan embedied in the Act is that the Dominion should contribute a second of the construction of nights and for no other purpose. The plan embedied in the Act is that the Dominion should contribute a second of the construction of the conduct of the contributed by a Provincial Government for nood-making. According to the plan expenditure of 860 by a Provincial Government in highway—making would produce \$100 worth of highway.

Last year the Government of Alberta was said.

1830 for the country of the country of

worth of highway.

Last year the Government of Alberta was paid,
as the Dominion's contribution to highway-build
in in Alberta, the sum of \$274.792.11.

But that money did not go into highways. It
was dumped into the eash drawer along with the
proceeds of Provincial taxes and herms fees, and
said to defray the ordinary expenses of Govern
was the contribution of the contribution of

ment.

The up-shot is that from last year's operations the people of Alberta got only 60 per cent of the amount of permanent highway they would have got if all the money available for highway construction and ear-marked for highway construction had been spent for that purpose.

That \$273,292 would have built a good many miles of well gravelled ready where now framerers have to flounder through mud or ruts to the scale every time they make a trip to their trading town.

It is understood that the fond, available the present the scale of the supermed Court.

dust further action by Parliament will be necessary if this measure of homistion assistance are if the measure of the measure

THURSDAY'S SHOPPING NEWS .

#### NEW SHIPMENT OF MADE IN ENGLAND HAND BAGS

Now ready for your inspection in the leather goods

section.

This group consists of a heautiful range of the newest creations in arenue and under-the-arm bags, such as are now wagn in fashion's centres. They are available in the following leathers: Velvet croodile, crushed lizard, velvet nake calf, Morocco, polished python, fancy Persian fluted, and striped patent with all leather and morie linings.

Mounted on heavy metal frames with all the necessary accessives. Color: Black that once, green

Mounted on heavy metal frames with all the necessary accessories. Colors: Black, tan, grey, green and red. Moderately priced, each .. \$2.95 to \$16.50

#### SMART FLANNEL DRESSES

SMART FLANNEL DRESSES

56.95 Each

A smart grouping of dresses in becoming styles fashioned from good quality flannels. These frocks will be sure to be popular with the woman who is always well dressed at a moderate cost. In the selection one will find the one-piece straight style, the two-piece model and the while kick pleats, belts, buttons, braid and dainty collars of self or silk crepe fabrics all combine to make this an outstanding selection of frocks. Striped and plain flannels, in shades of: Cardinal, olive, grey, tan, sanc, brick and navy. Sikes 36 to 44.

#### NATURAL COLOR RAW SILK, ONLY 49c YARD

A new shipment brings to hand, five thousand yards of this much wanted silk. It is backed by the usual Ramsey guarantee, 33-inch width and first quality absolutely. This is a superior value—one that merits your inspection.

#### 850 LACE-TRIMMED DRESSER SCARFS

Soil LAGE-RUMMED DRESSER SLAKE'S
Size ITASH Sinches, Extra Special, each 79c
A manufacturer's clearance of pretty and serviceable
searl's made from embossed creats and piewel cloth. Every
searl's fadaintly trimmed with lace.
This special is unusual and quite worthy of the window
display, we are giving it, Wednesday.
——Lamsey's Staples Dept., Floor Two.

#### COTTON BED SHEETS, \$2.95

Large size sheets of splendid cotton, beautifully bleached, with deep hemstitched ends. This is a timely offering and will be taken advantage of by all value-seeking house-wives.

#### DAINTY PATENTS VICI KIDS—FINE SATINS \$5.95 · REPTILIAN EFFECTS

A new season demands new and distinctive foot-wear. Our "Five-inety-five" grouping is replete with the characteristic styles of late "1922," which will extend their period of reign well into the com-ing year.

You can choose now for immediate and laier wear and have footwear that is truly chie and up-to-the-moment. Many of the models at \$6.95 will make their obeisance to Edmonton fashion-loving public, Thursday.

Thursday.

Appearance, par excellence, of this footwear conceals the long-wearing qualities that have hereiofore been associated only with sturdy walking boots.

Any pair selected from this display has that longsought-for "something" which minimizes your
feet. Low. Cuban. Spanish and splke heels; A. B.
C. D and E fittings. Sizes 54 o 7½.

#### SPECIALS IN ALUMINUM KITCHEN WARE
